D. Harter	77	\$6

Don't expect to get paid if your scorecard is not properly filled out.

It is your responsibility to put first initial and last name (we have more than one John in the club). It is not our responsibility to determine who is who.

It is also your responsibility to make sure that cards are dated and signed.

Your attention to the matter can make life much easier for us and for you. We appreciate your cooperation.
