Don't expect to get paid if your scorecard is not properly filled out. You will be DQ.

It is your responsibility to put first initial and last name (we have more than one John in the club). It is not our responsibility to determine who is who.

It is your responsibility to make sure that cards are dated correctly and signed.

Your attention to the matter can make life much easier for us and for you. We appreciate your cooperation on future scorecards.

☑Thank you.
